U.S. Application No. 10/814,132

**AMENDMENTS TO THE DRAWINGS**

**Please remove Fig. 1 and replace with Replacement Figures 1A-1C.**

Attachment: Three (3) Replacement Sheets

**REMARKS**

The Examiner issued a Notice of Allowance in the present application on October 21, 2005, with claims 1-6 being allowed. The present Amendment Under 37 C.F.R. § 1.312 is submitted to address the outstanding drawings requirement, as follows.

The Examiner asserts that the limitation of "the first connector is connected to the second connector" as recited in claim 1, is not shown in the drawings. Applicant hereby submits Replacement Figures 1A-1C, which are believed to show the claimed subject matter. Further, Applicant submits a substitute specification, in which conforming amendments to the specification are made in view of the new figures.

No issue of new matter or questions of further search is believed to be presented by the present Amendment.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
